

HERBICIDE SAFETY & WEED ID WORKSHOP

Thursday, May 29 @ 6:30 p.m.

Gallatin County Fairgrounds

901 N Black – Building 4

No cost to attend! Registration not required!

Questions call 582-3265 or 388-5668

- ❖ The Gallatin Conservation District is sponsoring a Weed ID and Herbicide Safety Workshop in collaboration with the Gallatin County Weed District. This is a great opportunity to learn how to spray weeds safely & effectively! Learn how to read herbicide labels, mix properly, calibrate your sprayer, and apply herbicides correctly.
- ❖ Information will also be presented on weed ecology and six of our most common noxious weeds and control measures. Plus a question & answer session!

Can you ID these weeds?
